The Zillah Dictionary: In the Roman character: explaining the various words used in business in India

The vast influence of his career is reflected by the fact that he is not only known for his own art but has also come to embody an entire epoch of Western art. The Oxford Text Archive, a repository for machine-readable texts and a channel for their dissemination rather than a research centre, was established in The list could be made much longer, but in this brief survey it is not possible to do justice to all the pioneering work .
