Todoubtthisistodisbelievethemostelementarythings,thelogicofthesim So his mature position would have to be that there are some philosophical facts in relation to the world of experience, but that there is no body of metaphysical knowledge about the reality which transcends experience. Not my favorite example

of a teacher handling this type of child. What I also learned is that while there is no one-size-fits-all solution for anxiety, there are a plethora of great research-based techniques that can help manage it -- many of which are simple to learn. Example, a CoE for lung cancer. It was real thick jungle.
